ProTeam Corvettes Win Not One, Not Two, But Three Benchmark Awards at Recent Bloomington Gold Show... which is a phenomenal success for three very special original unrestored Corvettes. To qualify for such an award the car must be at least 51% original in all four categories, ie. BLOOMINGTON SURVIVOR, and must be nice enough to judge well (95%) on the Gold certification field of mostly restored cars, ie. BLOOMINGTON GOLD. This combination wins a BLOOMINGTON GOLD BENCHMARK which is quite a rarity. The three cars that mastered this event are a **Red/Black 1963 Fuelie Z06 Split Window Coupe**, [Stk. 1022E](#) and a **Daytona Blue 1963 Export Right Hand Drive Fuelie Z06 Split Window Coupe** that is an ex-GM Holden show car that served duty at the Melbourne and Sydney Motor Shows in Australia, [Stk. NSN-TRI](#), and a **White/Green 435hp 1967 Convertible** from Allen Green Chevrolet of Seattle, Washington, [Stk. 145Y](#). The mileage on these three cars played an important role as they ranged between 22,800 actual miles to 39,000 actual miles so they had very little use over the last 45 to 50 years. It is also important to note that all three cars had to drive a predetermined course (10 miles) and go through tech and operations check/judging so they are not purely static displays, in fact, Terry Michaelis did quite a burnout when approaching the awards ceremony to the disdain of the show owner and the cheers of the spectators. "These shows need more energy and I gave them my two dollars and two cents worth," said Terry Michaelis about his childish but fun burnout. Burn baby burn! Comments and/or questions, email terry@proteamcorvette.com

Or... these names: Jim Vranich, Charles Vranich, Fred Smith, and David Hamilton, all from western Pennsylvania. Come on guys & gals... someone must remember this car!
