1953 Daytona Beach NASCAR #211 and 1958 Chitwood Thrill Show Car Honored in Denver... Two of ProTeam's historically significant and highly editorialized Corvettes received the NCRS AMERICAN HERITAGE Award® in Denver at the 2015 NCRS National Convention. The award is among the most respected and important in the marque and it isn't for the faint of heart. After an initial qualifying round where sign-off is needed to even compete for the prize, the car is then judged on its merit on the national stage. How rare is this feat? Only 44 Corvettes have ever received the AMERICAN HERITAGE® award out of total production of over 1.6 million Corvettes built. ProTeam's 1953 Daytona Beach NASCAR #211 and the 1958 Chitwood Thrill Show Car are the only two that made the cut... a credit to the integrity of the cars themselves and the team in Napoleon who brought these cars up to incredibly high standards. To find out more about the AMERICAN HERITAGE AWARD® go to NCRS.org. To read more about these Corvettes and the others in the collection go to ProTeamCorvette.com.

Industry Awards... are normally awarded to a person for exceeding a quality standard but in our case, it is about the person (or people), the product (our cars) and the presentation which requires knowledge. ProTeam's Corvettes achieved close to 200 show awards and invitationals since 2009. [Click to enlarge](#) any photo to view the results of ProTeam's team effort. I doubt there is another person or company that has even come close to our record and in 2013, we added a new award only received by a total of 36 participants, "The NCRS American Heritage Award". In June 2014, Terry Michaelis was inducted into the Bloomington Gold Great Hall honoring the 50 most significant and influential people and organizations.

The standard is set by the various judging venues, ie: Bloomington Gold, NCRS, MCACN, and the Concours D'elegances scattered around the USA. It takes knowledge, preparation, and presentation to compete in these show venues. ProTeam's small group of employees possess that knowledge which should add additional value and a comfort level that you **cannot** and **will not** get from any other Corvette seller or reseller. POINT MADE! Think about it and [Click Here](#) to view the text file of our impressive show results. Comments or questions? Email: terry@proteamcorvette.com

Information and Photos... are wanted of a 1962 Corvette driven by Ben Moore from Hauser Chevrolet from the Bethlehem, PA area. The car was maroon with a fawn beige interior and raced normally with Race #18. This car had a small driver's side racing windshield, Yenko type roll bar, tonneau cover, rally lights, and combo racing stripes down the middle of the car. Some of the names associated with this car and/or Ben Moore could be Roger Penske, Ed Schwartz, Don Yenko, Jack Phillips, and Danny Buranich.

Probably raced in or at Marlboro (April 1962), V.I.R. (April 1962), Cumberland (May 1962), Vineland (May 1962), Bridgehampton (June 1962), and Watkins Glen (June 1962). Ben Moore won the SCCA A-Production N.E. Division Championship in 1962. I need close-up photos of this car in race trim. Email: terry@proteamcorvette.com
