## February Corvette of the Month [large lead-in]

[wrap text]

1967 Corvette Convertible, two tops, 327-300 hp, factory air, powerglide, numbers matching original motor, transmission and rear end with CCAS/Grenning Engine Stamp Affirmation, also has factory original body/trim tag, 73,121 actual miles.

Ermine **White** paint with Rally Red interior and Black soft top. Very rare and desirable color combination especially with the documented options. Body-off restored in excellent show condition. These type restorations normally cost between \$125,000.00 to \$150,000.00.

Optioned with factory air, powerglide, power steering, power brakes, power windows, telescopic, speed warning, black vinyl auxiliary hardtop, 3.36 rear, SS brakes, AM/FM radio, tinted glass, B.O. aluminum wheels, and red stripe radials. A/C retrofitted to R-134A.

Most all factory correct type components including the spare, seat belts, washer system, shifter, shielding, air cleaner, spark plug shields, hoses, hose clamps, expansion tank, radiator, gas door assembly, glove box door, owners manual, sales brochure, and T-3 headlights.

Documented with the NCRS/GM validated tank sticker (build sheet), owner history/title copies back to 1971, almost all owner manual packet contents, and 3-ring binder. Also has an affirmation by CCAS/Grenning as to the legitimacy and originality of the engine block, stamp pad, and the engine stamp. Production date of April

10th, 1967 and delivered new by Gaddy Motor Company, North Wickesboro, NC (dealer code 283 in zone 16) per the official NCRS/GM Shipping Data Records (SDR).

This recently restored Corvette has yet to be shown, creating an exciting opportunity for the next owner to exhibit the car and compete for trophies, awards, and recognition! This is a wonderful, wholesome and well-optioned car that you could almost drive daily or anywhere. Don't ask me to find another car with these options and colors after this car sells! Looks, runs, and drives excellent. CC:1 \$169,000.00 | [Stk. 1027U](#)

### Q: What is a CCAS Affirmation?...

[wrap text]

A: It is an evaluation program covering basic fundamentals of 1963 to 1972 classic Corvettes:

- (1) The engine casting and stamped numbers
- (2) The Trim/Body tag
- (3) Protect-O-Plate (Chevrolet warranty plate)
- (4) Certain documentation

CCAS applies a United States patented procedure in conjunction with a massive Corvette engine pad database (*master library*). It is the application of objective, fundamental research information for identifying legitimacy of engines.

Overall, it is a non-personal, objective, scientifically based approach that is brought to bear in areas that have been at the mercy of subjectivity and opinion.

**What Is My Corvette Worth?** I get asked this question almost everyday. The value of a Corvette is directly related to venue, location, day, and time of day if offered at auction. High profile collector car auctions offer maximum exposure and hundreds or thousands of affluent "ready to spend" registered bidders that like the auction excitement and instant gratification of making a purchase and thus outbidding others. **In essence they are the winner!**

Auctions create urgency and unless bidders are prepared to bid that car is sold within 2 to 3 minutes.

No two auctions or auction venues (locations) will produce the same results. **"It is a crap shoot!"**

I have participated as both buyer and seller at most of the classic car auctions in the USA for over 40 years and know the process well.

Contact [terry@proteamcorvette.com](mailto:terry@proteamcorvette.com) should you have a rare Corvette or Corvette collection and need advice as it relates to estate planning, estate resolution/liquidation as it relates to auctions and/or our outright purchase.

**Industry Awards...** are normally awarded to a person for exceeding a quality standard but in our case, it is about the person (or people), the product (our cars) and the presentation which requires knowledge. ProTeam's Corvettes achieved close to 200 show awards and invitationals since 2009. Click to enlarge any photo to view the results of ProTeam's team effort. I doubt there is another person or company that has even come close to our record and in 2013; we added a new award only received by a total of 36 participants, "The NCRS American Heritage Award". In June 2014, Terry Michaelis was inducted into the Bloomington Gold Great Hall honoring the 50 most significant and influential people and organizations.

The standard is set by the various judging venues, ie: Bloomington Gold, NCRS, MCACN, and the Concours D'elegances scattered around the USA. It takes knowledge, preparation, and presentation to compete in these show venues. ProTeam's small group of employees possess that knowledge which should add additional value and a comfort level that you **cannot** and **will not** get from any other Corvette seller or reseller. POINT MADE! Think about it and Click Here to view the text file of our impressive show results. Comments or questions? Email: [terry@proteamcorvette.com](mailto:terry@proteamcorvette.com)
