

**PROTEAM PRESIDENT TERRY MICHAELIS
SHARES NEWS AND VIEWS ON CORVETTE BLOG**

NAPOLEON, Ohio - Leading classic Corvette expert and automotive enthusiast Terry Michaelis, president of ProTeam Classic Corvette Collection and Sales, has launched the new blog "tMichaelis Corvette Perspective" - news, facts, and opinions from 36 years of Corvette scholarship and more than 10,000 Corvettes bought and sold.

The blog, available at <http://tmichaelis.com>, provides a look into the Corvette market through the eyes and experiences of Michaelis, who writes about Corvette historical facts, buying tips, the overseas Corvette market and more.

"The popularity of classic Corvette collecting is increasing every year," said Terry Michaelis, president, Pro Team Classic Corvette Collection and Sales. "Corvette owners and enthusiasts are eager for the type of information I share in the blog, such as the best Corvette investments and the top Corvette movers and shakers. Visitors will find a wealth of useful insight into the awesome world of classic Corvettes."

Michaelis began his love affair with cars more than 36 years ago when he sold used cars at his cousin's Ohio dealership. By the early-1970s, he had his own dealership, purchasing and selling Corvettes. And in the mid-1980s - with car collectors hungry for restored Corvettes - Michaelis and his brother, Frederick, responded by forming ProTeam Classic Corvette Collection and Sales. Today, Michaelis oversees ProTeam's daily operations, supplying customers around the globe with that perfect Corvette they have been searching.

ProTeam Classic Corvette Collection and Sales, based in Napoleon, Ohio, showcases the largest inventory of classic Corvettes in the world. More than \$20 million worth of Corvettes are displayed in 90,000 square feet of showrooms and restoration facilities in Napoleon, Ohio and Auburn, Ind., with nearly 200 classic Corvettes on display at any time.
